

Major Guide: Management

Guidelines

Major Coursework

As Management majors, students should adhere to the following criteria in major course selection for study abroad. All Management courses must be direct equivalents to all courses found at UTK, including the following:

- MGT 331: Leadership Skills*
- MGT 336: Foundations of Organizational Behaviors*
- HRM 360: Managing Human Resources*
- MGT 462: Managerial Analytics
- MGT 463: Solving Complex Managerial Problems

3-6 credit hours of Management coursework is allowed abroad.

Students should meet with an International Programs and Study Abroad (IPSA) advisor to receive final approval for Finance coursework.

*Indicates coursework that is more easily found abroad.

Non-major Coursework

Although Management majors are only allowed to take 1 - 2 Management courses while abroad, there are many other ways to take business coursework and fulfill other degree requirements abroad. Other types of courses available for study abroad include:

- General education (ethics, arts & humanities, non-business electives)
- Pre-business core (MGT 202, ECON 211 & 213, STAT 201 equivalents)
- Business core (FINC 301, BULW 301 & 332 equivalents)
- Foreign language (HCB requires completion through intermediate level)
- Collateral / concentration

Timing

Students interested in Management coursework while abroad should consider:

- Students are only able to take Management coursework after completion of their tracking courses, which is typically after Sophomore year.
- Management majors are able to go abroad after their first semester of Freshman year if they are only taking general elective courses or Pre-Business core courses.
- Students should not study abroad their final semester at UT if they plan to graduate in May due to the delay in transcript processing.

Selecting Your Collateral / Concentration

Another option of courses to take abroad are through your collateral/concentration. Please refer to your Haslam Student Handbook for all possible combinations. The International Business (IB) concentration offers the most flexibility in course availability. Please note:

- All 12 credit hours of IB elective coursework can be taken abroad.
- Business coursework that is international in scope and upper division (300-400 level) can be counted as an IB elective.
- IB courses give students the opportunity to pursue country or region-specific coursework that offers unique insight into international business practices.

Next Steps

To learn more, schedule an advising appointment with an HCB International Programs and Study Abroad advisor through Navigate, or email haslamabroad@utk.edu to start a conversation!
