* Applicable fees: Maintenance, programs & services, technology, facilities, and transportation up to 15 credit hours. All other fees will be the responsibility of the student, i.e. physical ed fee, lab fee, etc. Students may be responsible for any differential course fees in business, engineering, art, architecture and interior design.

** If a student requires any additional immunizations, the student is responsible for paying any additional cost above and beyond the amount listed. UT insurance may cover cost. Charge will depend on student's health insurance.

*** Includes clothing, telephone services, laundry, recreation, household maintenance, transportation, etc.
